## Product Discontinuation Notice

### NB3710 Railway Router Series

#### Summary

Effective 1<sup>st</sup> of January 2019, the NetModule NB3710 Railway Router Series will enter the End of Life process. The products will be superseded with the NB3800 Railway Router Series providing increased performance with Gigabit Ethernet and LTE Advanced cellular capabilities.

As part of NetModule's product discontinuation policy, this notice is being issued to assist our valued customers in system integration.

#### Affected Products and Recommended Replacements

All product variants of NB3710 and NB3711 will be discontinued and replaced by the NB3800.

Discontinued	Replacement
NB3710	NB3800
NB3711	NB3800

Please check our website or <http://netmodule.com/products/railway-routers.html> for more information or contact your NetModule sales representative for specific product variant replacements.

#### Key Dates

Schedule for the End of Life process:

Product	Last Time Buy (LTB)	Last Time Shipment (LTS)	End of Support and Repair (ESR)
NB3710/11	1 <sup>st</sup> of October 2019	1 <sup>st</sup> of July 2020	1 <sup>st</sup> of July 2022

#### Warranty Information

The warranty remains in effect for all products affected by this discontinuation notice. If replacement is required as part of warranty coverage, the affected units will be replaced with the currently supported models free of charge. The original warranty end date will apply to the new replacement unit in this case.

#### Additional Information

Should you have any questions, please do not hesitate to contact your NetModule sales representative at [sales@netmodule.com](mailto:sales@netmodule.com) or +41319852510.
