

Open Source Software Notice

We inform you that NetModule products in part contain open-source software. We are distributing such open-source software to you under the terms of GNU General Public License (GPL)¹⁾, GNU Lesser General Public License (LGPL)²⁾ or other opensource licenses³⁾. These licenses allow you to run, copy, distribute, study, change and improve any software covered by GPL, Lesser GPL, or other open-source licenses without any restrictions from us or our end user license agreement on what you may do with that software.

Unless required by applicable law or agreed to in writing, software distributed under open-source licenses is distributed on an "AS IS" basis, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied.

To obtain the corresponding open source codes covered by these licenses, please contact our technical support at router@support.netmodule.com.

Acknowledgements

- This product includes PHP, freely available from <http://www.php.net>.
